

Invitation to Participate in a Research Study

Treatment for Pediatric Eating Disorders: Perspectives of Health Professionals.

We are recruiting health care professionals who provide care for children or youth with eating disorders to complete a survey about their views on clinical care for pediatric eating disorders.

We are looking for individuals to participate who:

- Are proficient in English
- Have provided clinical care to children or youth with eating disorders (age 25 years or under) in the past year
- Currently live in either Canada or Australia

We expect that it will take participants approximately 15 minutes to complete the survey.

Participants who complete the study will have the option to enter a draw for one of 10 \$20 gift cards.

If you have any questions or would like more information about this study, you may contact the research team at: EDResearch@bcchr.ca

If you would like to participate in this study, please visit the following website or scan QR code:

<https://rc.bcchr.ca/redcap/surveys/?s=KAAALW83YAW4HRPR>

We invite you to share this information letter with colleagues who provide care for pediatric eating disorders. Thank you for your consideration of this invitation.

Sincerely,

Jennifer Coelho, Ph.D., R.Psych.

Eating Disorders Program, BC Children's Hospital
